

Twenty years - 1/2

Interprété par Placebo.

There are twenty years to go
And twenty ways to know
Who will wear,
Who will wear the hat.

There are twenty years to go
The best of all I hope
Join the ride,
The medicine show.

Them's the breaks
For we design a fate
We need to concentrate
On more than meets the eye.

There are twenty years to go
The faithful and the low,
The best of starts
The broken hearts of stone.

There are twenty years to go
The punchdrunk and the blow,
The worst of starts
The mercy part that bones.

Them's the breaks
For we design a fate
We need to concentrate
On more than meets the eye.

Them's the breaks
For we design a fate
But it's you I take
Because you're the truth not I...

There are twenty years to go
A golden age I know,
But all will pass
Will end too fast you know.

There are twenty years to go
And many friends I hope,
Though some may hold the ropes
Some hold the rope.

That's the end,
And that's the start of it

Twenty years - 2/2

That's the whole,
And that's the part of it
That's the highs,
And that's the heart of it
That's the long,
And that's the short of it
That's the best,
And that's the test in it
That's the doubt,
The doubt, the trust in it
That's the sight,
And that's the sound of it
That's the gift,
That's the trick in it...

You're the truth, not I...
