Give unto me - 1/1

Interprété par Evanescence.

I've been watching you from a distance
The distance sees through your disguise
All I want from you is your hurting
I want to heal you
I want to save you from the dark

Refrain
Give unto me your troubles
I'll endure your suffering
Place onto me your burden
I'll drink your deadly poison

Why should I care if they hurt you
Somehow it matters more to me
Than if I were hurting myself
Save you (save you)
I'll save you

Refrain

Fear not the flame of my love's candle
Let it be the sun in your world of darkness
Give unto me all that frightens you
I'll have your nightmares for you
If you sleep soundly

Refrain

Fear not the flame of my love's candle
Let it be the sun in your world of darkness
Give unto me all that frightens you
I'll have your nightmares for you
If you sleep soundly

Fear not the flame of my love's candle
Let it be the sun in your world of darkness
