

I must be dreaming - 1/1

Interprété par Evanescence.

How can I pretend that I don't see
What you hide so carelessly?
I saw her bleed; you heard me breathe
And I froze inside myself and turned away
I must be dreaming

Refrain
We all live
We all die
That does not begin to justify you
It's not what it seems,
Not what you think
No, I must be dreaming
It's only in my mind,
Not real life
No, I must be dreaming

Help! I know I've got to tell someone
Tell them what I know you've done
I fear you, but spoken fears can come true

Refrain (x2)

Not what it seems,
Not what you think
I must be dreaming
Just in my mind,
Not real life
I must be dreaming
