

Godlike (doglike mix) - 1/1

Black man
White man
Rip the system

I will pray and pray
That your country
Undergoes recovery

Use the power
Taste the best
Have your salvation

Now is the time
Get on the right side
You'll be godlike

(Security forces may have killed thousands of people
in crushing the anti-government rallies.
Fascists and terrorists are responsible for the violence.)

Escape your own life
Of bondage and sin

(And I know that we were right to do what we did.
And if you ask am I happy, absolutely not.)

Raise your head
From the ashes
From the fire
