When you peel back my eyes,
I see the pain and feel alive.
My hatred heaps upon this fire,
that burns inside and you blow higher.
But I don't need to you anymore.
You cannot hurt me anymore.

Keep it away from the fire unless you want it to burn.
It burns - wildfire.
Give it to me!
Your wildfire - don't take it from me!
Wildfire - give it!

And when you take me in your mind,
into this dirty sodden shrine.
I do not need you anymore.
You cannot hurt me anymore.

Keep it away from the fire unless you want it to burn.
It burns - wildfire.
Give it to me!
Your wildfire - don't take it from me!
Wildfire - give it to me!
Set on fire - don't take it from me!
Your wildfire - take it!

When you peel back my eyes,
I see the pain and feel flive.
