

Beast - 1/1

Interprété par Kmfdm.

My youth is wasted - I'm evasive and vague.
I'm a headless beast - I'm a subtle plague.
I'm a cheatin' liar - I am naked terror.
I hurt - I wound - I'm a fatal error.

I don't make sense - I got my pride!
Don't need no meaning - I feel no shame!
I will not believe - I got no choice!
I'm out of control - And I love it!

I'm a non-believer - I refuse and resist.
I don't play no more - I'm a terrorist.
I'm a radical pig - I exploit and abuse.
I am total chaos - Strange and abstruse.
I'm a cheatin' liar - I am naked terror.
I hurt - I wound - I'm a fatal error.

I don't make sense - I got my pride!
Don't need no meaning - I feel no shame!
I will not believe - I got no choice!
I'm out of control - And the kids just love it!

I'm a man who's sick, but I got class,
'coz you only get respect when you're kickin' ass.
I don't make sense, but I got my pride.
I need no meaning, I feel no shame.
I will not believe that I got no choice.
I'm out of control, but love it.

I don't make sense - I got my pride!
Don't need no meaning - I feel no shame!
I will not believe - I got no choice!
I'm out of control - And the kids just love it!
