

## Secrets - 1/2

**Interprété par Good Charlotte.**

In the dark  
In the darkness you will find  
Dirty little secrets we all hide  
Cause we all have a darker side  
A place we keep where no one else will find

Cause everybody wants to hide their secrets away  
Nobody wants to stand up to the pain  
But I will...

Stand up to the pain  
Wake up and fight again  
If you could  
Dance with me through this rain  
We will fight  
We'll fight again  
Fight again

In the back  
In the closets of your mind  
That's where skeletons and dirty secrets hide  
And I'll rip out my insides  
And leave them on display for you tonight

Cause everybody wants to hide their secrets away  
Nobody wants to stand up to the pain  
But I will...

Stand up to the pain  
Wake up and fight again  
If you could  
Dance with me through this rain  
We will fight  
We'll fight again  
Fight again, fight again

All my life I hide my secrets away  
In the dark, in the dark, in the dark  
We all try to hide our secrets away  
In the dark, in the dark, in the dark

Stand up to the pain  
Wake up and fight again  
If you could  
Dance with me through this rain  
We will fight  
We'll fight again

## Secrets - 2/2

Fight again, fight again

Cause everybody wants to hide their secrets away

And that's okay

Nobody wants to stand up to the pain

And fight again
