

# Masquerade - 1/1

**Interprété par Symphony X.**

Album : The Odyssey (2002) - Bonus Track

Shackled in darkness  
The forbidden portrait confined to its frame  
Unbroken silence  
A total misfortune and shame

Raging obsession  
This mask of oppression  
It hides your aggression from view  
This tearing suture  
Renounces the love he once knew

You sacrifice this paradise of innocence  
Trust the lie - you falsify the line of truth  
You disguise your insolence  
Don't deny insanity - mediocrity

[Chorus]  
Save us from this masquerade of lies  
Kings and fools die in ridicule (save us)  
Save us from this masquerade of lies

A fallen fortress sees him beneath starless skies  
Subsiding deeper - the final farewell in his eyes

Unspoken hero  
Distrust and thrust within surmise  
Seizing intrusion to unveil his clever disguise

You sacrifice this paradise of innocence  
Trust the lie - you falsify the line of truth

[Chorus]
