

We're all to blame - 1/1

Interprété par Sum 41.

take everything left from me
ALL! TO! BLAME!
how can we still succeed taking what we don't need
telling lies as alibis, selling all the hate that we breed super size
our tragedies (you can't define me or justify greed) bought in the
land of the free (land, free)
and we're all to blame
we've gone too far, from pride to shame
we're trying so hard, we're dying in vain
we're hopelessly blissful and blind, to all we are
we want it all
WITH NO SACRIFICE!
realize we spend our lives living in a culture of fear
stand to salute and say thanks to the Man Of The Year
how did we all come to this (you can't define me or justify greed)
a greed that we just can't resist (resist)
and we're all to blame
we've gone too far, from pride to shame
we're trying so hard, we're dying in vain
we're hopelessly blissful and blind, to all we are
we want it all
everyone wants it all
with no sacrifice
tell me now, what have we done, we don't know
I can't allow, what has begun to tear me down
believe me now, we have no choice left with our backs against the wall
and now, we're all to blame
we've gone too far, from pride to shame
we're hopelessly blissful and blind
when all we need, is something true to believe
don't we all,
everyone, everyone
we will fall,
cause we're all to blame
we've gone too far, from pride to shame
we're trying so hard, we're dying in vain
we want it all, everyone
don't we all.....
