

My boo - 1/1

Interprété par Alicia Keys Et Usher.

([Intro]usher)

There's always that one person that will always have your heart
You'll never see it coming cause you're blinded from the start
Know that you're that one for me it's clear for everyone to see
Ooh baby owe (you will always be my boo)

(Alicia keys)[Rap]

I don't know about y'all but I know about us and
It's the only way we know how to rock
I don't know about y'all but I know about us and
It's the only way we know how to rock

(Usher)

Do you remember girl I was the one you gave you your first kiss
Cause I remember girl
I was the one who said put your lips like this
Even before all the fame and people screaming your name
Girl I was there and you were my baby

[Chorus](Usher)

It started when we were younger you were mine (my boo)
Now another brothers' taken over but it's still in your eyes (my boo)
Even though we use to argue it's alright (my boo)
I know we haven't seen each other in a while
But you will always be my boo

[Chorus](Alicia keys)

I was in love with you when we were younger you were mine (my boo)
And when I see from time to time I still feel like, (that's my baby)
And if I see you no matter how
I try to hide (I can't hide it)
And even though there's

[Chorus]
