

Rainbow eyes - 1/1

Interprété par Rainbow.

Album : Long Live Rock 'n Roll (1978)

Paroles et Musique : Ritchie Blackmore / Ronnie James Dio

She's been gone since yesterday
Oh I didn't care
Never cared for yesterdays
Fancies in the air

Chorus:

No sighs or mysteries
She lay golden in the sun
No broken harmonies
But I've lost my way
She had rainbow eyes

Rainbow eyes, rainbow eyes,
Love should be a simple blend
A wispering on the shore
No clever word you can't defend
They lead to never more

Chorus:

Rainbow eyes, rainbow eyes
Summer nights are colder now
They taken down the fayre
All the lights have died somehow
Or were they ever there

Chorus:

They've taken down the fair.
