

## Adios - 1/1

**Interprété par Kmfdm.**

It's been too many times that I stuck out my neck for you  
It's been too many times that I spoke my mind to you  
It's been too many times that I caught all the flak from you  
Apathetic crap is all I can find in you

I don't want no part in this  
I don't feel the need to score  
Burnt all bridges  
Closed my heart  
I don't want to be a part  
No more

Dosvidanija Ciao Adieu  
Hasta la vista I'm on my way  
Goodbye Sayonara  
Auf nimmerwiedersehen  
Over and out  
And down the drain

It's been too many times that I raised my voice at you  
It's been too many times that I walked the line with you  
It's been too many times that I've had no choice but you  
Hypocritical swine I have had it this time  
Thank you...
