A new revolution
The ultimate war
KMFDM is back for more
Twice the mayhem
Triple the force
10x the action
Total hardcore

Shanghai-Stockholm-Berlin-Tel Aviv
The world rotates to the Ultra-Heavy Beat
From the gutter to the top
KMFDM will never stop

Violence, anger and anarchy
A megaton load of toxic debris
Money, power, all you can eat
The manifestation of ultimate greed

Tokyo-Moscow-Chicago-Madrid
The world rotates to the Ultra-Heavy Beat

Rip the system, throw it away

No legislation can stand in our way
Anti x2 in the USA
Ends with and M
Begins with a K
