

## Down and out - 1/2

**Interprété par Kmfdm.**

En Esch:

Welcome aboard the crazy trip  
circle of fools say 'hi'

Sascha:

Watch your step or you might trip  
we're glad you came on by

Abby:

The guys and I prepared a brew  
you really ought to taste

En Esch:

It makes you strong and makes you &\*#@%  
don't let it go to waste

Sascha:

Care for some sweets to chase your drink?  
I see you've quite a thirst

Abby:

No no no you can't yet go  
First things must come first

En Esch:

Delicious not? You feel alive?  
You need a little space?

Sascha:

So you're not feeling well?  
What's wrong with your face?

Abby:

Holy smokes! We goofed again  
The brew was not quite right

En Esch:

We'll take him back behind the pen  
and try again tonight

Sascha:

Welcome aboard the crazy trip  
circle of fools say 'hi'

Abby:

Watch your step or you might trip

## Down and out - 2/2

All:

We're glad you came on by

Chorus:

Great that we pretend that we are all that

we enjoy ourselves

should we get some help?

we have always failed yet there is no doubt

can't go wrong from here

we are down and out

all of us are going down
