

Run - 1/1

Interprété par Snow Patrol.

I'll sing it one last time for you
Then we really have to go
You've been the only thing that's right
In all I've done

And I can barely look at you
But every single time I do
I know we'll make it anywhere
Anyway from here

Light up, light up
As if you have a choice
Even if you cannot hear my voice
I'll be right beside you dear

Louder louder
And we'll run for our lives
I can hardly speak I understand
Why you can't raise your voice to say

To think I might not see those eyes
Makes it so hard not to cry
And as we say our long goodbyes
I nearly do

Light up..

Slower slower
We don't have time for that
I just want to find an easier way
To get out of our little heads

Have heart my dear
We're bound to be afraid
Even if it's just for a few days
Making up for all this mess
