

Lift me up - 1/1

Interprété par Moby.

Plain talking,
Take us so far,
Broken down cars,
Like stronger old stars.

Plain talking,
Served us so well,
We travel through hell,
Oh how we fell.

[Chorus :] (x4)
Lift me up, lift me up,
Higher, now I'm up

Plain talking,
It's making us bold,
So strong now and cold,
I'm feeling so old.

Plain talking,
Has ruined us now,
We never know how,
It's sweeter than doubt.

[Chorus] (x8)

(x8) :
Lift me up, lift me up,
Oh, la la la la
