

In my head - 1/1

Interprété par Queen Of The Stone Age.

It's the cruelest joke to play
I'm so high, I run in place
Only a line we separate
So...

I keep on playin our favorite song
I turn it up while you're gone
It's all I got when you're in my head
And you're in my head so I need it

You're the only thing I've got
That I can't seem to get enough
We collide for one embrace
So...

I keep on playin our favorite song
I turn it up while you're gone
It's all I got when you're in my head
And you're in my head so I need it

Hurry up and wait forever
Hurry up and wait forever
