

## Trouble - 1/2

Interprété par Bonnie Mckee.

Ah yes  
I remember too well  
How hard  
I tried avoiding your spell  
It was a cold October night  
It was a far from sober night  
And I was taken at first sight  
And this was much to your delight

I'd heard  
That you were looking for prey  
Hungry for a different girl everyday  
But you were so sly in coming in  
I wouldn't fight, I let you win.  
All of the blood upon your chin  
Told me exactly where you'd been  
Trouble Trouble  
Troublemaker

Who would have thought I'd ever let somebody get to me  
Who would have thought I'd ever give a damn  
I gave to you the one thing that I can never retrieve  
And I am leaving my heart bleeding in my hands

You told me all about your dreams  
You were so deep,  
Or so it seemed  
Although I'm young, I'm not naive  
I am not easy to deceive

I see the danger that lies beyond your eyes  
And I wanna scream when you're rubbing on my thighs  
I know I should but I can't say no, I won't.  
Troublemaker, gotta let you go, ooh  
Trouble trouble  
Troublemaker

Who woulda thought I'd ever let somebody get to me  
Who woulda thought I'd ever give a damn  
I gave to you the one thing that I can never retrieve  
And you're leaving my heart bleeding in my hands

I thought I knew you well  
I thought you'd catch me if I fell  
But when I fell you never came  
That's when I knew this was a game

## Trouble - 2/2

I thought, Because I knew that I'd won  
But honey, that's easier said than done  
Cuz I lose my breath when you're kissin' on my neck  
Boy you've got me in check, but I haven't lost yet  
Trouble Trouble  
Trouble maker  
Don't you bring it round here
