

# Who made who - 1/1

**Interprété par Ac/dc.**

The video game says "Play me"  
Face it on a level but it takes you every time on a one on one  
Feeling running down your spine  
Nothing gonna save your one last dime cause it owns you  
Through and through

The databank knows my number  
Says I gotta pay cause I made the grade last year  
Feel it when I turn the screw  
Kicks you round the world, there ain't a thing that it can't do  
Do to you

**CHORUS:**

Who made who, who made you?  
Who made who, ain't nobody told you?  
Who made who, who made you?  
If you made them and they made you  
Who picked up the bill, and who made who?

Who made who, who turned the screw?

Satellites send me picture  
Get it in the eye,  
take it to the world  
spinning like a dynamo  
Feel it going round and round  
Running out of chips, you got no line in an 8-bit town  
So don't look down, no

to CHORUS

Ain't nobody told you, who made who?
