

Revenge - 1/1

Interprété par Plain White T's.

By now you should know everything you say
Can and will be used against you some day
I got the microphone so don't go too far
Cause I'm gonna tell the whole world how you really are

I don't even care how you're gonna feel
Cause I've already tried to give you something real
So go ahead and get mad never talk to me again
I don't even care cause I got my

Revenge
Revenge
Revenge
Got my revenge

One night you're begging me to stay
The next night you push me away
I don't need you're promising to give it up
Is too late cause now I'm giving up

Revenge
Revenge
Got my revenge

By now you should know everything you say
Can and will be used against you some day
I got the microphone so don't go too far
Cause I'm gonna tell the whole world how you really are

So go ahead and get mad never talk to me again
I don't even care cause I got my

Revenge
