

## A day in a life - 1/2

**Interprété par Lindsay Lohan.**

Ohoh ohoh oooooohhhh  
Ohoh ohoh

Today is so boring  
I might as well be snoring  
Because I'm living up that dream  
A zombie with no react  
Somehow I've run right up track  
So insane from club mundane  
It makes me wanna scream...

Chorus :  
It's a day in the life  
It's a link in the chain  
beginnig the ending  
They both look the same  
Round and round  
No new ground  
It's a day in the life  
A redundant game  
Winning or losing  
There's nothing to gain  
Round and round  
No new ground  
It's a day in the life

It's just so simplistic  
Trying to be optimistic  
The part of me won't give up hope  
Well it's my own dysfunction  
That awayls leads to nothing  
But it seems it's the only way  
The only way to go...

Chorus:  
It's a day in the life  
It's a link in the chain  
beginnig the ending  
They both look the same  
Round and round  
No new ground  
It's a day in the life  
A redundant game  
Winning or losing  
There's nothing to gain  
Round and round  
No new ground

## A day in a life - 2/2

It's a day in the life

Cause nothing ever  
Changes any more  
It makes me wonder  
What tomorrow's for

Chorus:

It's a day in the life  
It's a link in the chain  
beginning the ending  
They both look the same  
Round and round  
No new ground  
It's a day in the life  
A redundant game  
Winning or losing  
There's nothing to gain  
Round and round  
No new ground  
It's a day in the life

Ohoh ohoh oooooohhhh  
Ohoh ohoh oooooohhhh

Ohoh ohoh oooooohhhh  
Ohoh ohoh
