

I hate myself for loving you - 1/1

Interprété par Katie Holmes.

Midnight, gettin uptight where are you
You said you'd meet me, now it's quarter to two
You know I'm hanging but I still want you

Hey Jack it's a fact they talk in town
I turn my back and you're messing around
Not really jealous don't like lookin like clown

I think of you every night and day
You took my heart then you took my pride away

I hate myself for lovin you
Can't break free from the things that you do
I wanna walk but I run back to you
That's why I hate myself for lovin you

Daylight spend the night without you
But I've been dreamin 'bout the lovin you do
I won't be as angry by the hell you put me through

Hey man bet you can treat me right
You just don't know what you've been missing last night
I wanna see your face and say forget it's just from spite

I think of you every night and day
You took my heart then you took my pride away

I hate myself for lovin you
Can't break free from the things that you do
I wanna walk but I run back to you
That's why I hate myself for lovin you
