

Always on my mind - 1/2

Interprété par Alsou.

Started out as a little game
We both could play
It seemed so simple, superficial
I lost along the way
Now I think I'm in too deep
I'm begging you to stay
I don't know why, I don't know how
You've led my heart astray

I've seen cuter
I've heard smoother
Tasted sweeter
I've laughed harder
Acted smarter
I've been wiser

Tell me why
You're always on my mind
You're always on my mind
Always on my mind

I don't know why
You're always on my mind
You're always on my mind
Always on my mind

In my life I met some guys
Who've hurt me with good-byes
I made a promise to my heart
To never let a soul inside
All who know me would agree
That this is not like me
Would I believe if someone told me
I'd trip so easily

I've seen cuter
I've heard smoother
Tasted sweeter
I've laughed harder
Acted smarter
I've been wiser

Tell me why
You're always on my mind
You're always on my mind
Always on my mind

Always on my mind - 2/2

Bridge: What is it about you that drives me crazy?
I think about you all the time

Just tell me why...
