

Even angels fall - 1/1

Interprété par Jessica Riddle.

You found hope, you found faith. Found how fast she can take it away.
Found true love, lost your heart. Now you don't know who you are.

She made it easy, made it free. Made you hurt till you couldn't see.
Sometimes it stops, sometimes it flows. But baby, that is how loves goes.

You will fly and, you will crawl, God knows even angels fall.
No such thing as you, lost it all. God knows even angels fall.

It's a secret, no one tells. One days its heaven, one day its hell.
And its no fairytale, take it from me. That's the way its supposed to be.

You will fly and, you will crawl, God knows even angels fall.
No such thing as you, lost it all. God knows even angels fall.

You'll laugh, you'll cry, no one knows why, but oh the thrill of it all.
Your on the ride you might as well, open your eyes.

You will fly and, you will crawl, God knows even angels fall.
No such thing as you, lost it all. God knows even angels fall.

Even angels fall.
Even angels fall.
