## Interprété par Nine Inch Nails.

God money i'll do anything for you
God money just tell me what you want me to
God money nail me up against the wall
God money don't want everything he wants it all

No you can't take it
No you can't take it
No you can't take that away from me
No you can't take it
No you can't take it
No you can't take that away from me

Head like a hole
Black as your soul
I'd rather die than give you control
Head like a hole
Black as your soul
I'd rather die than give you control

Bow down before the one you serve You're going to get what you deserve Bow down before the one you serve You're going to get what you deserve

God money's not looking for the cure God money's not concerned with the sick amongst the pure God money let's go dancing on the backs of the bruised God money's not one to choose

No you can't take it No you can't take it No you can't take that away from me No you can't take it No you can't take it No you can't take that away from me

Bow down before the one you serve You're going to get what you deserve Bow down before the one you serve You're going to get what you deserve

Bow down before the one you serve You're going to get what you deserve Bow down before the one you serve You're going to get what you deserve

No you can't take it
