

## The only time - 1/1

Interprété par Nine Inch Nails.

I'm drunk

And right now i'm so in love with you

And i don't want to think too much about what we should or shouldn't do

Lay my hands on Heaven and the sun and the moon and the stars

While the devil wants to fuck me in the back of his car

Nothing quite like the feel of something new

Maybe i'm all messed up

Maybe i'm all messed up

Maybe i'm all messed up in you

Maybe i'm all messed up

Maybe i'm all messed up

Maybe i'm all messed up

Maybe i'm all messed up in you

Maybe i'm all messed up

This is the only time i really feel alive

This is the only time i really feel alive

I swear

I just found everything i need

The sweat in your eyes the blood in your veins are listening to me

Well i want to drink it up and swim in it until i drown

My moral standing is lying down

Nothing quite like the feel of something new

Maybe i'm all messed up

Maybe i'm all messed up

Maybe i'm all messed up in you

Maybe i'm all messed up

Maybe i'm all messed up

Maybe i'm all messed up

Maybe i'm all messed up in you

Maybe i'm all messed up

This is the only time i really feel alive

This is the only time i really feel alive
