

Big man with a gun - 1/1

Interprété par Nine Inch Nails.

I am a big man
(Yes i am)
And i have a big gun
Got me a big old dick and i
I like to have fun
Held against your forehead
Well i'll make you suck it
Maybe i'll put a hole in your head
You know. just for the fuck of it
Well i can reduce you if i want
Well i can devour
I'm hard as fucking steel. and i've got the power
I'm every inch a man. and i'll show you somehow
Me and my fucking gun
Nothing can stop me now

Shoot shoot shoot shoot shoot
I'm going to come all over you [4x]
Me and my fucking gun
Me and my fucking gun [4x]
