

The fragile - 1/1

Interprété par Nine Inch Nails.

she shines
in a world full of ugliness
she matters
when everything is meaningless

fragile
she doesn't see her beauty
she tries to get away
sometimes
it's just that nothing seems worth saving
i can't watch her slip away

i won't let you fall apart

she reads the minds of all the people as they pass by
hoping can see
if i could fix myself i'd -
but it's too late for me

i won't let you fall apart

we'll find a perfect place to go where we can run and hide
i'll build a wall and we can keep them on the other side
... but they keep waiting
... and picking ...

it's something i have to do
i was there, too
before everything else
i was like you
