

# I'm looking forward to joining you, finally - 1/1

Interprété par Nine Inch Nails.

as black as the night can get  
everything is safer now  
there is always a way to forget  
once you learn to find a way how

in the blur of serenity  
where did everything get lost?  
the flowers of naivete  
buried in a layer of frost

the smell of sunshine  
i remember sometimes

thought he had it all before they called his bluff  
found out that his skin wasn't thick enough  
wanted to go back to how it was before  
thought he lost everything  
then he lost a whole lot more

a fool's devotion  
swallowed up in a empty space  
the tears of regret  
frozen to the side his face

the smell of sunshine  
i remember sometimes

i've done all i can do  
could i please come with you?  
the smell of sunshine  
i remember sometimes
