You keep saying you got something for me
Something you call love but confess
You been messing where you shouldn't have been messing
And now someone else is getting all your best

Well these boots are made for walking
And that's just what they'll do
One of these days these boots are gonna walk all over you

You keep lying when you ought to be truthing
You keep losing when you ought to not bet
You keep saving when you ought to be changing
Now what's right is right, and you ain't been right yet

Well these boots are made for walking
And that's just what they'll do
One of these days these boots are gonna walk all over you

You keep playing where you shouldn't be playing
And you keep thinking that you'll never get burned
HA!
Well i just found me a brand new box of matches, yeah
And what he knows, you ain't had time to learn

These boots are made for walking
And that's just what they'll do
One of these days these boots are gonna walk all over you
