

My sanctuary - 1/2

Interprété par Schwein.

Doubting

Trying

Not to look at the face of the man who is dying

To look for the face of the man who is lying

The amber gambler is low and loaded

His rusty steed turns to burn into my soul

I hear the cries

My body lies in sanctuary

The long way home I cannot seek

He knows the pain its special place

I know its look I know your face

Utsukushi kiga kono me wo hatsugusu

(Bright things crush my eyes)

Bright whites the killing kind

Tsumi ni yori batsu wa ai sare

(Penalty is loved by the crime)

Two blacks don't make a white

Kono gekijou sute sarareru unmei

(This passion is in the fate left)

The broker of my broken dreams

Me ni utsuru kono yo wa jigoku to iu

(Hell is all that I see)

My cell is my sanctuary

White silver draws black lies

Bright whites the killing kind

Two wrongs don't make a right

Two blacks don't make a white

Devotion isn't what it seems

The broker of my broken dreams

Hell is all that I see

My cell is my sanctuary

There's a black space where my soul should be

A gaping wound where my heart could be

I feel so low I feel like Christ

I see my head is turning white

The knuckles twisted raw and I'm so empty

And there's no respite

You prey together on the small

Hell-vision shows it every night

The amber gambler is low and loaded

His rusty steed turns to burn into my soul

I hear the cries

My body lies in sanctuary

The long way home I cannot seek

My sanctuary - 2/2

He knows the pain its special place
And I know your face
