

Organzola - 1/1

Interprété par Schwein.

Squeeze me untill I die off
I'll dance awkwardly Just like burning

Organzola Kiss me please
Organzola like the way tracing hurt
Organzola Your cruel eyes
Organzola I die at the limit

From body to heart
You do melt and get away into depth of night

The queen of darkness Give me your spit
Smelling musk your skin

Organzola rub me up please
Organzola depth of the hurt
Organzola Your idle eyes
Organzola I die at the limit

Organzola Kiss me please
Organzola like the way tracing hurt
Organzola Your cruel eyes
Organzola I die at the limit
