

I'm your man - 1/1

Interprété par D'geyrald.

I try to see
But I don't know tell me
Should we go
I don't know
I need to know
If time has come to show
How I feel
Is it real
Oh, please tell me
My heart is free

I Try so long
To find someone
To stop my fears
And wipe my tears
And wipe my tears

Give me your hand
And hold me close to you
I need you
I love you

don't feel ashamed
This is your life
You're mine
I'm your man
You're my man
Oh, please tell me
My heart is free

I Try so long
To find someone
To stop my fears
And wipe my tears
And wipe my tears

.....

I Try so long
To find someone
To stop my fears
And wipe my tears
And wipe my tears
