

## Nice guys finish last - 1/1

**Interprété par Green Day.**

Nice guys finish last  
You're running out of gas  
Your sympathy will get you left behind  
Sometimes you're at the best  
When you look the worst  
Do you feel washed up  
like piss going down the drain.

Pressure cooker pick my brane and tell me I'm insane  
I'm so fucking happy I could cry  
Every joke can have its truth and nox the joke's on you  
I never knew you such a funny guy

Oh nice guys finish last  
when you are the outcast  
Don't pat yourself on the back  
you might break your spine.

Living on command  
You're shaking lots of hands  
Kissing up and bleeding all your trust  
taking what you need  
Bite the hand that feeds  
You kill your memory
