

## War - 1/2

**Interprété par Bob Marley.**

Bob Marley - WAR

Until the philosophy  
Which hold one race  
Superior and another, inferior  
Is finally, and permanently  
Discredited and abandoned  
Everywhere is war  
Me say war  
That until there're no longer  
First class and second class  
Citizens of any nation  
Until the colour of a man's skin  
Is of no more significance  
Than the colours of his eyes  
Me say war  
That until the basic human rights  
Are equally guaranteed to all  
Without regard to race  
Dis a war  
That until that day  
The dream of lasting peace  
World citizenship  
Rule of international morality  
Will remain in but a fleeting illusion  
To be pursued  
But never attained  
Now everywhere is war, war  
And until the ignoble and unhappy regimes  
That hold our brothers in Angola, in Mozambic,  
South Africa, sub-human bondage  
Have been toppled  
Utterly destroyed  
Well everywhere is war  
Me say war  
War in the east  
War in the west  
War up north  
War down south  
War, war  
Rumours of war  
And until that day  
The African continent  
Will not know peace  
We africans will fight it  
We find if necessary  
And we know we shall win

## War - 2/2

As we are confidants  
In the victory  
Of good over evil, good over evil  
Good over evil, good over evil...

Je comprends pas pourquoi elles n'y étaient pas déjà...
