

## I turn to you (texte original) - 1/2

Interprété par Christina Aguilera.

When I'm lost in the rain  
In your eyes I know  
I'll find the light to light my way  
When I'm scared, losing ground  
When my world is going crazy  
You can turn it all around and when I'm down you're there  
Pushing me to the top  
You're always there giving me all you've got

For a shield from the storm  
For a friend  
For a love to keep me safe and warm  
I turn to you  
For the strength to be strong  
For the will to carry on  
For everything you do  
For everything that's true  
I turn to you

When I lose the will to win  
I just reach for you  
And I can reach the sky again  
I can do anything  
'Coz your love is so amazing  
'Coz your love inspires me  
And when I need a friend  
You're always on my side  
Giving me faith, taking me through the night

For a shield from the storm  
For a friend  
For a love to keep me safe and warm  
I turn to you  
For the strength to be strong  
For the will to carry on  
For everything you do  
For everything that's true  
I turn to you

For the arms to be my shelter  
Through all the rain  
For truth that will never change  
For someone to lean on  
For a heart I can rely on through anything  
For that one who I can run to

For a shield from the storm
