

Love will find a way - 1/2

Interprété par Christina Aguilera.

No one ever said that
Love was gonna be easy
Gotta take the ups and downs
The in-betweens
If you take this journey
Gotta give yourself completely
Never let nobody ever step on our dreams

You better stop
Listen to these words that I say
You better stop
Don't you throw this good thing away
No, no
Put your trust in me
And I'll make you see

[Chorus:]
No the rain won't last forever
Find a way to make it better
Long as we can stand together
Love will find a way
Gonna make a new tomorrow
Say goodbye to tears and sorrow
Better listen when I say
'Love will find a way'

Somebody tried to tell me love
Don't last forever
Said it only happens in your wildest dreams
After all is said and done
We're still here together
Never listen to the lies and jealousy

You better stop
Don't you let them turn you around
You better stop
Hang onto this love that we've found
Nothing ever say
Can stand in our way

[Repeat Chorus]

I want you
I need you
You know that I believe you
We got it
You know it

Love will find a way - 2/2

So if it's real
Just show it

I want you
I need you
You know that I believe you
We got it
You know it
So if it's real
Just show it

You better stop
Listen to these words that I say
You better stop
Don't you throw this good thing away
No...
Put your trust in me
And I'll make you see

[Repeat Chorus x2]

I want you
I need you
You know that I believe you
We got it
You know it
So if it's real
Just show it...
