Shiver - 1/1

You build me up You knock me down Provoke a smile And make me frown You are the queen of runaround You know it's true

You chew me up And spit me out Enjoy the taste I leave in your mouth You look at me I look at you Neither of us know what to do

There may not Be another way to your heart So I guess I'd better find a new way in I shiver when I hear your name Think about you but it's not the same I won't be satisfied 'til I'm under your skin

Immobilized by the thought of you Paralyzed by the sight of you Hypnotized by the words you say Not true but I believe 'em anyway

So come to bed it's getting late There's no more time for us to waste Remember how my body tastes You feel your heart begin to race

There may not Be another way to your heart So I guess I'd better find a new way in I shiver when I hear your name Think about you but it's not the same I won't be satisfied 'til I'm under your skin
