Interprété par Eiffel 65.

Move your, your mind mind move your, your body move your mind move your mind mind move your, your  
body body move your, your mind mind move your, your body move your mind move your mind mind move  
your, your body move your...

Move your body  
Every everybody  
Move your body  
C'mon now everybody X3  
Move your body  
Move your body  
Everybody  
C'mon now everybody

You want to move the world  
Start with your body  
Yo, c'mon, you gotta start with something  
If you wanna move your mind  
Just move your body  
Move your mind, move your mind  
It's gonna cost you nothing  
You want to move someone  
Start with your body  
Yo, c'mon, and try to move somebody  
If you wanna move alone  
Then everybody will move along with you

Move your body  
Every everybody  
Move your body  
C'mon now everybody X2  
Move your body  
Move your body  
Everybody  
C'mon now everybody

Move your, your mind mind move your, your body move your mind move your mind mind move your, your  
body body move your, your mind mind move your, your body move your mind move your mind mind move  
your, your body...

You want to move the world  
Start with your body  
Yo, c'mon, you gotta start with something  
If you wanna move your mind  
Just move your body  
Move your mind, move your mind  
It's gonna cost you nothing  
You want to move someone
