

Nymphetamine [fix] - 1/2

Interprété par Cradle Of Filth.

Lead to the river
Midsummer, I waved
A 'V' of black swans
On with hope to the grave
All through Red September
With skies fire-paved
I begged you appear
Like a thorn for the holy ones

Cold was my soul
Untold was the pain
I faced when you left me
A rose in the rain
So I swore to the razor
That never, enchained
Would your dark nails of faith
Be pushed through my veins again

Bared on your tomb
I am a prayer for your loneliness
And would you ever soon
Come above unto me?
For once upon a time
From the binds of your lowliness
I could always find
The right slot for your sacred key

Six feet deep is the incision
In my heart, that barless prison
Discolours all with tunnel vision
Sunsetter
Nymphetamine
Sick and weak from my condition
This lust, a vampyric addiction
To her alone in full submission
None better
Nymphetamine

Nymphetamine, nymphetamine
Nymphetamine girl
Nymphetamine, nymphetamine
My nymphetamine girl

Wracked with your charm
I am circled like prey
Back in the forest
Where whispers persuade

Nymphetamine [fix] - 2/2

More sugar trails
More white lady laid
Than pillars of salt

Fold to my arms
Hold their mesmeric sway
And dance to the moon
As we did in those golden days

Christening stars
I remember the way
We were needle and spoon
Mislaide in the burning hay

Bared on your tomb
I am a prayer for your loneliness
And would you ever soon
Come above unto me?
For once upon a time
From the binds of your lowliness
I could always find
The right slot for your sacred key

Six feet deep is the incision
In my heart, that barless prison
Discolours all with tunnel vision
Sunsetter
Nymphetamine
Sick and weak from my condition
This lust, a vampyric addiction
To her alone in full submission

Nymphetamine, nymphetamine
Nymphetamine girl
Nymphetamine, nymphetamine
My nymphetamine girl
