

Little lover - 1/1

Interprété par Ac/dc.

I saw you in the front row moving to the beat
Just movin' and grooving
Killed me when I saw the wet patch on your seat
Was it Coca-Cola ?
Ooh, baby, I hope you liked the show
When the band said goodnight, I had to say hello

Refrain : Little lover, I can't get you off my mind, no
Little lover, I've been trying hard to find
Someone like you

Ooh, baby, you sure look sweet, cruisin'
A leg either side of my motorcycle seat, just oozin'
Could have been a nightmare
Could have been a dream
But on the way home baby
I thought I heard you scream

Refrain

You had my picture on your bedroom wall
Next to Gary Glitter
I was standin' on the stage playin' rock'n'roll
I was a guitar picker, yeah
Never had a record, never had a hit
Ooh, baby, you didn't mind a bit

Refrain
