

Hell ain't a bad place to be - 1/1

Hey you, yeah you
Sometimes I think this woman is kinda hot
Sometimes I think this woman is sometimes not
Puts me down, fool me around
Why she do it to me
Out for satisfaction
Any place of action
That ain't the way it should be
She needs lovin', knows I'm the man, she gotta see
Pours my beer, licks my ear, brings out the devil in me
Hell ain't a bad place to be

Spends my money, drinks my booze
Stays out every night
And I got to thinkin', just a minute
Somethin' ain't right
Disillusion and confusion
Make me wanna cry
The shame playin' your games
Tellin' me those lies
Don't mind her playin' demon
As long as it's with me
If this is hell let me say, it's heavenly
Hell ain't a bad place to be

Late at night, turns down the lights, closes up on me
Opens my heart, tears me apart
Brings out the devil in me
Hell ain't no bad place to be

Hell ain't no bad place to be
Hell ain't no bad place to be
Hell ain't no bad place to be
Hell ain't no bad place to be
