

Given the dog a bone - 1/1

Interprété par Ac/dc.

She take you down easy
Going down to her knees
Going down to the devil
Down, down at ninety degrees
She's blowin' me crazy
Till my ammunition is dry
She's using her head
She's using her head again

I'm justa giving the dog a bone
Givin' the dog a bone, giving the dog a bone
Giving the dog a bone
I'm justa givin' the dog a bone
Givin' the dog a bone
I'm justa givin' the dog a bone

She's no Mona Lisa
She's no Playboy star
But she'll send you to heaven
Then explode you to Mars
She's using her head
She's using her head again
She's using her head
Using her head again

I'm justa giving the dog a bone
Givin' the dog a bone, giving the dog a bone
Giving the dog a bone
I'm justa givin' the dog a bone
Givin' the dog a bone
I'm justa givin' the dog a bone

She got the power of union
She only hits when it's hot
And if she like what you're doing
She'll give you the lot, give it everything I got

I'm justa giving the dog a bone
Givin' the dog a bone, giving the dog a bone
Giving the dog a bone
I'm justa givin' the dog a bone
Givin' the dog a bone
I'm justa givin' the dog a bone
