

Have a drink on me - 1/1

Interprété par Ac/dc.

Whiskey, gin and brandy, with a glass I'm pretty handy
Tryin' to walk a straight line on sour mash and cheap wine
So join me for a drink boys, we gonna make a big noise
So don't worry 'bout tomorrow, take it today
Forget about the cheque, we'll get hell to pay

Have a drink on me, have a drink on me
Have a drink on me, have a drink on me

I'm dizzy, drunk and fightin' on a tequila white lightnin'
My glass is getting shorter on whiskey, ice and water
So c'mon have a good time and get blinded outta your mind
So don't worry 'bout tomorrow, take it today
Forget about the cheque, we'll get hell to pay

Have a drink on me, have a drink on me
Have a drink on me, have a drink on me
etc...
