

I caught fire - 1/1

Interprété par The Used.

Seemed to stop my breath
My head on your chest
Waiting to cave in
From the bottom of my...
Hear your voice again
Could we dim the sun
And wonder where we've been
Maybe you and me
So kiss me like you did
My heart stopped beating
Such a softer sin

(I'm melting, I'm melting)
In your eyes
I lost my place
Could stay a while

And I'm melting
In your eyes
Like my first time
That I caught fire
Just stay with me
Lay with me
Now

Never caught my breath
Every second I'm without you I'm a mess
Ever know each other
Trust these words are stones
why cuts aren't healing
Learning how to love

I'm melting (I'm melting)
In your eyes
I lost my place
Could stay a while
And I'm melting
In your eyes
Like my first time
That I caught fire
Just stay with me
Lay with me
(Stay with me lay with me now)

You could stay and watch me fall
And of course I'll ask for help
