

## Driver's seat - 1/1

**Interprété par Dht.**

Doin alright, a little jiving on a Saturday night.  
And come what may, I'm gonna dance the day away.  
Jenny was sweet. She always smiled for the people she'd meet.  
On trouble and strife, she had another way of looking at life.  
News is blue. Has its own way to get to you.  
What can I do, when I remember my time with you.

Driver's seat, ooh, driver's seat, yeah  
Driver's seat, ooh, driver's seat, yeah.

Doin alright, a little jiving on a Saturday night.  
And come what may, I'm gonna dance the day way.  
Pick up your feet. Got to move to the trick of the beat.  
There is no elite. Just take your place in the driver's seat.  
News is blue. Has its own way to get to you.  
What can I do, when I remember my time with you.

Driver's seat, ooh, driver's seat, oh yeah  
Driver's seat, ooh, driver's seat, yeah yeah.
