

Who knew - 1/2

Interprété par Pink.

You took my hand, you showed me how
You'd be around
Uh huh that's right!
I took your words and I believed
In everything you said to me
Yah huh that's right!

If someone said three years from now
You'd be long gone
I'd stand up and punch them out
'Cause they're all wrong
I know better
'Cause you said forever
And ever_who knew?

Remember when we were such fools
And so convince and just too cool
Oh no no no
I wish I could touch you again
I wish I could, still call you friend
I'd give anything

When someone said count your blessings now
'Fore they're long gone
I guess I just didn't know how
I was all wrong
But they knew better
Still you said forever
And ever_who knew?

I'll keep you locked in my head
Until we meet again
Until we, until we meet again
And I won't forget you my friend
What happened?

If someone said three years from now
You'd be long gone
I'd stand up and punch them out
'Cause they're all wrong
That last kiss I'll cherish
Until we meet again
And time makes it harder
I wish I could remember
But I keep your memory
You visit me in my sleep
My darling
