

Phantom of the opera - 1/1

Interprété par Iron Maiden.

I've been looking so long now
You won't get away from my grasp
You've been living so long in hiding
Hiding behind that false mask

You know and i know that you ain't got that long to last
Your looks and feeling are just the remains of your past

Standing in the wings there, you wait for the curtain to fall
Knowing the terror and holding you have on us all

I know that you're gonna scratch me
And main me and maul
You know i'm helpless from
Your mesmerizing cat call

Chorus

Keep your distance, walk away don't take his bait
Don't your stray, don't fade away

Watch your step, he's out to get you
Come what may
Don't your stray, from the narrow way

I'm running and hiding in my dreams you're always there
You're Phantom of the Opera, you're the Devil, you're
Just out the scare

You damaged my mind and my soul just floats through the air
You haunt me, you taunt me, you torture me back at your fair
