Interprété par Dante Thomas.

Do you remember It was a Latin summer night Do you remember baby When the moon was shining bright Do you remember When we danced into this beat I still remember It was a midnight summer heat

I want to tease you, please you Holding you so tight I want to love you, hug you Baby, do me right I want to feel you, heal you Get inside of you I wanna dance with you, dance with you, just dance with you, baby

{Refrain: x2} Oh, oh, baby let's get it on Oh, oh, let's do it to the break of dawn Oh, oh, just keep playin' that song Oh, oh, play it 'till the early morn'

Oh, oh, oh Can you feel this Latin summer Oh, oh, oh Come and dance this Latin summer Let me love you, baby {x2}

Do you remember It was a Latin holiday Do you remember When the band began to play Do you remember When you whispered in my ear I still remember All the words you need to hear

I want to tease you, please you Holding you so tight I want to love you, hug you Baby, do me right I want to feel you, heal you Get inside of you I wanna dance with you, dance with you, just dance with you, baby

Get it on - 2/2

{au Refrain, x4}
