Nananana nanananana
Nananana na nanananana

Gonna make a connection
Cuz I know I got take 'em high
And I'll show 'em how to rip up a kicker
If that's alright
Check out the way you're
Ridin the half pipe
There's something 'bout
The look in your eyes
And girl why don't cha show
Me a trick or two
Come it let it fly

Gonna twist down
Gonna take you on a ride
Gonna get along
Gonna get along fine
I got the skills
If you got the style
You do it for me
It's the way you smile, girl
Take people home
To a hip hop beat
Knock me down
Lift me off my feet
Whip one up
Let's get on the with the show
Oh yeah, the way to go

It's to good to be true
Now I'm riding with you
Too bad to believe it
If you know what I mean
Got me spinning around
With my feet off the ground
And I don't wanna come back down
It's to good to be true

Nananana nanananana
Nananana na nanananana

Okay, it's not like
I'm short of a girlfriend
(Yeah right)

But I'm playing with
My plan of attack
Cuz I know that once you check out my lip slide
You ain't lookin' back

Gonna twist down
Gonna take you on a ride
Gonna get along
Gonna get along fine
I got the skills
If you got the style

It's to good to be true

I ride all day
Even in the sun, boilin' hot
But I still have fun
Everybody's watchin'
Keepin' an eye on
How I skate, how I fly
Ridin' the rails
Hittin' the ramps
I'll skate all day
Gonna have to camp
Although I get tired
It doesn't stop me
Hey, you better watch me

Gonna twist down
Gonna take you on a ride
Gonna get along
Gonna get along fine
I got the skills
